35th ANNIVERSARY!

SPRING 2021

Exclusive!

LIVING HER FELINE TRUTH IN A DOGGY-DOG WORLD

CAT-CHING UP WITH MAYFLOWER

Celebrating 35 Years

In 1986, Hays County residents, headed by Mariam McCoy, began to shelter and protect homeless, abandoned animals. The McCoy's donated the costs of building our inaugural Kyle facility in 1988. In 2010, planning began for a 2nd location in Dripping Springs on 35 acres of land donated by Shirley Alexander. The facility opened its doors in June of 2019, doubling our life-saving efforts in Central Texas. We are now celebrating 35 years of service to the Central Texas Community offering a no-kill alternative for companion animals, servicing thousands of cats and dogs a year! Along with continuing our No-Kill Mission, we also support the community through our medical facility surgeries, off-site adoptions, "PAW UP" training courses, "Cell Dog" and "Canines Who Care" programs, and a food pantry for those in need. As we celebrate 35 years, in 2021 we are looking forward to fundraising for capital improvement construction for our original Kyle location. Watch for more details on our Anniversary Celebration kicking off with a YouTube livestream on May 16th and running through June 5th with "Dog Days of Summer" in Dripping Springs!

We look forward to another 35 years of service to the Central Texas community and thank all of you for supporting our efforts since 1986!

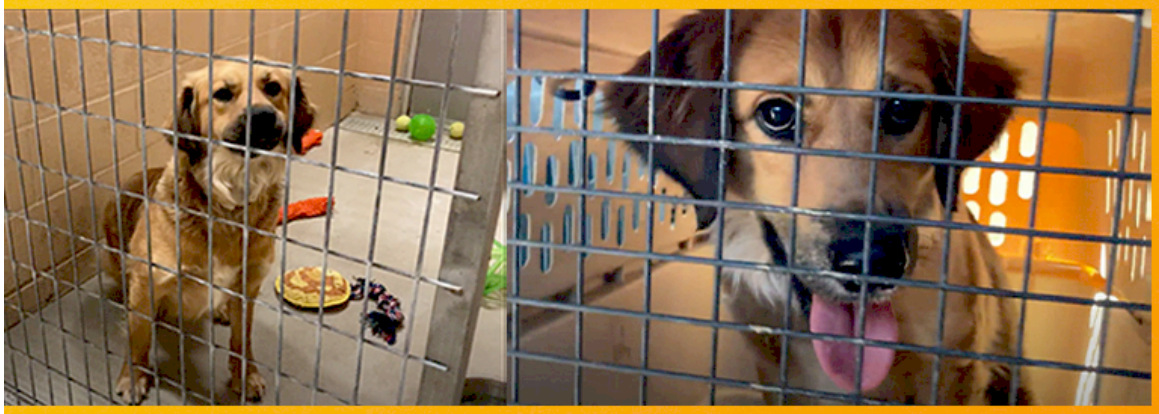
Boomer's Journey

from pound to home



TRANSFER:
Kennel Manager Shannon assessed & pulled Boomer & 6 other pups from the HSNBA, loaded them into travel carriers, & transported them to PAWS-Dripping Springs campus.

INTAKE:
Boomer was weighed, tested for heartworm, & given all needed vaccines (he was conviently already neutered).
He then went to his new kennel aready set up with a fluffy bed and squeaky toys.

MEET-AND-GREET
Boomer's online profile caught the attention of a local family!
They came to meet, play, & cuddle with him before making a decision.

Adoption!

It was a paw-fect match!
Boomer found his fur-ever family!
